

We Care! We strive to be a true benefit to our customers, staff, vendors, the environment, and our whole community.

- We offer an amazing selection of quality products with an emphasis on organic, local, and gourmet items. We offer this selection with friendly, knowledgeable, and personalized service.
- We respect and appreciate our staff, and provide training and advancement opportunities for those willing to work hard and master the required skills.
- We support the efforts of our nonprofit community and the Go Local movement.
- We care about our planet and are committed to sustainable, environmentally friendly practices.
